## Why Choose Scouting?

If you're looking for a fun activity for your son that will change his life and make him a better adult, where your involvement is vital, then get him involved in Scouting.

A well-rounded boy should have involvements with his family, church, school, Scouting, band, sports. Our program makes time for these other important commitments, while offering unique opportunities for personal growth unavailable anywhere else.

Scouting is **GAME** with a **PURPOSE**—to develop future leaders of:

- strong character
- good citizenship
- all-round fitness

The eight methods used by all good troops make Scouting unique:

- Scouting Ideals (Promise, Law, Motto, Slogan)
- Patrol System
- Advancement
- Outdoor Program
- Adult Role Models
- Leadership Development
- Personal Growth
- Scout Uniform

You can't get what Scouting offers anywhere but in Scouting!

**It's more than fun—it's an Adventure!**

## Who Can Join

### When to Join

### How to Join

To join, a boy must be minimum age 10 and either have finished Fifth Grade, OR have earned the Arrow of Light Award, OR be age 11 (whichever occurs first). He does not need to have been in Cub Scouts or Webelos.

The Boy Scouts of America requires Scouts to be boys who meet these age requirements. Troop 97 expects its members to be active, to wear full uniform, and to advance regularly. We expect parents to be active with their son.

It's very important for new Scouts to attend summer camp their first year (which is why our Scoutmaster and a dozen or more of our Assistant Scoutmasters and parents will spend the full week at camp with the Scouts).

For more information, or to make a reservation, write, phone, or come to a meeting as soon as you have decided.
